Disabled Student Verification

PARENT/GUARDIAN: In order to award disabled-displaced scholarships, we must have a copy of the student's IEP, MET or 504 Plan on file. The document DOES NOT need to be current. Doctors' notes, and outside evaluations are NOT considered. We do NOT accept draft documents. Please attach a copy of the first 3-5 pages of the student's IEP, MET or 504 Plan to this form. **Incomplete forms will not be accepted.**

Please note: The eligibility amount for each student is determined by the IEP, MET or 504 Plan category and student grade. Students can receive *up to 90%* of state aid that would be provided for their particular category and grade OR the cost of tuition (whichever is less) in disabled-displaced funding. Students CANNOT receive both STO and ESA funding at the same time. Students can receive disabled-displaced scholarships and *other* STO scholarships in the same academic year.
